If we can't work together to save the Fireballs, the commissioner's forcing a sale and moving them across the country. I'll do anything to save my home team. But the one thing I can't do? Dirty. That's what I am. Born a dirty little secret and later sold to the worst kind of evil. That day broke me, stealing the most sacred parts of my body and my soul. So I ran—from them, from home, from everything. That's when I found him. He became my savior before he even knew I existed. And then I was welcomed into the family. Now he sees me. I make sure of it. I notice the way he watches me when I slip from my bed and fall into someone else's. See the heated flicker in his eyes when I peer up at him from behind red solo cups, wandering hands, and blaring music. Feel the burn in his touch when I stumble and he catches me—and he always catches me. But I'm no longer the same weak girl he discovered hiding behind his house all those years ago, and some demons simply can't be set free. All the lies in the world can't hide that. Even though the same blood doesn't run through our veins, I know he can never be mine. I was never supposed to fall for him. We're family now, and I'm going to be a good little sister. Liar, liar, liar.

CONTENT WARNING: contains sex, profanity, and sensitive subject matter, including sexual abuse (such as rape) and taboo content. On the outside, twelve-year-old Hector seems like he's got it all. He's strong, fast, and rumored to be the favorite to win this year's Zeus Cup at the Mt. Olympus Spartan Race, the highest honor in his small Midwestern town. Cue a certain god of the Underworld who has a mighty proposition for Hector: Hades will give him godlike strength and speed in exchange for the trophy at the end of the race. In *The Liar in Your Life*, psychology professor Robert Feldman, one of the world's leading authorities on deception, draws on his immense body of knowledge to give fresh insights into how and why we lie, how our culture has become increasingly tolerant of deception, the cost it exacts on us, and what to do about it. His work is at once surprising and sobering, full of corrections for common myths and explanations of pervasive oversimplifications. Feldman examines marital infidelity, little white lies, career-driven resumé lies, and how we teach children to lie. Along the way, he reveals—despite our beliefs to the contrary—how it is nearly impossible to spot a liar (studies have shown no relationship between nervousness, lack of eye contact, or a trembling voice, and acts of deception). He also provides startling evidence of just how integral lying is to our culture; indeed, his research shows that two people, meeting for the first time, will lie to each other an average of three times in the first ten minutes of a conversation. Feldman uses this discussion of deception to explore ways we can cope with infidelity, betrayal, and mistrust, in our friends and family. He also describes the lies we tell ourselves: Sometimes, the liar in your life is the person you see in the mirror. With incisive clarity and wry wit, Feldman has written a truthful book for anyone whose life has been touched by deception. This book goes beyond He's Just Not That Into You and tells women the reasons why certain men are not interested. A bold, witty, and candid approach to the search for Mr. Right—by a casting agent for TV's most popular dating shows Exposes fairy tales for what they are—and shows modern women how to get past the fantasies to find real and lasting love Kevin doesn't mean to make trouble when he lies. He's just really good at it, and it makes life so much easier. But as his lies pile up, he finds himself in big—and funny—trouble with his friends, family, and teachers. He's got to find a way to end his lying streak—forever. This book is a developmental guide created to help those who have trouble lying overcome their mental illnesses. Why they lie, why they can't stop lying and why they wish they could. If you are a liar, or if you have a friend, or a family member who is one, there is hope. Now find out how to help. Offer what most of these people are looking for, a chance for redemption.

She provides all the communication and behavioral techniques you need to deal with a lover's lies, telling you exactly what to say, when and how to respond to his reactions, and how to present your requirements for staying in the relationship. With understanding and compassion, she helps you decide whether your relationship can be saved and shows you how to move beyond doubt and regret if you feel that it can't. But whether you stay or go, you can learn to love and trust again.
